Rejuvenate and Revitalise

The **World's First Anti-Aging Glove** has been designed for your needs. Experience smooth, tightened and nourished skin in minutes.

Hand Anti-Aging plus vitamin C helps reverse the Aging Process by tightening skin tissue physically while creating a visible hand lifting.

Swissness is Wellness

Hand Anti-Aging gives a **new meaning to Wellness**. Enjoy refreshed and revitalized hands.

Developed with Premier Swiss Spas, Hand Anti-Aging is produced in the top laboratories of Switzerland using all natural ingredients and **Swiss Mountain Water**. Hand Anti-Aging is preservative free, perfume free and safe for all skin types.

Look younger and Feel it!

- Tightens Tissue
- Hydrates Skin
- Soothes Joints
- Evens Skin Tone

Anti-Aging is not only how you look, it is how you feel. Hand Anti-Aging is the **Exclusive Glove System** which provides visible improvement in elasticity of the skin in minutes. Your Fingers and Joints are energized, feel and see it! It is already used by surgeons and professional musicians to improve their performances.

Enhances Results of Aesthetic Procedures

- Hand Surgery
- Mesotherapy
- Injectables
- Laser

Hand Anti-Aging is the ideal **Pre- and Post procedure treatment**. It reduces swelling and pain while increasing hydration.
